

FOCUS on CHILDREN

Newsletter January 2013

Editor Yoe Kusumoto

FOCUS Members: As we begin a new year, we ask for your support. After 30 years, FOCUS needs a "new look". We're streamlining FOCUS with fewer and more enjoyable meetings, better communication and more awareness in the community.

We hope to reach out to more men and women to increase our membership. If you know of a neighbor, friend, etc., please invite them to a FOCUS meeting/event. If they love children and want to make their lives better, FOCUS is the place for them!
