

PROJECTS FEBRUARY 2019

1) Kid's Turn San Diego

Mission: Created in 1996 to bring peace to families who could no longer communicate without conflict. With a mission of “promoting, supporting and securing the well-being of children who are experiencing family separation”, our programs empower children to talk with their parents about thoughts/feelings, build resiliency and create brighter futures for children experiencing family separations, divorces and military transitions.

Purchase: All of the items will be utilized in the children's program of our Family Workshops for Separated and Divorced Families and our Counseling Program for Children. To purchase markers, construction paper, labels, multipurpose table, etc...for workshops.

Amount: \$1500

POC: Cindy Grossman, Executive Director

2) Vista Hill Therapeutic Learning Center (TLC)

Mission: Request is to support ParentCare Family Recovery Center, which is one of Vista Hill's longest running programs, serving over 200 families each year within two sites. An important part of ParentCare is the on-site specialized pre-school and childcare services in our Therapeutic Learning Center (TLC). These services are provided for parents involved in in ParentCare program that could otherwise no afford childcare.

Purchase: Diapers, wipes, diaper cream, art supplies, and learning toys. Also provided a list of other specific items (baby crib, etc..)

Amount: \$1500

POC: Jen Nettleton, Grant Specialist
