Over 40 carefully selected vendors will be present at the Annual Friends of Children United Society's (FOCUS) Holiday Boutique on Saturday, Nov. 16, at the Coronado Cays Yacht Club, 30 Caribe Cay Boulevard, in the Coronado Cays. This exciting event begins at 10 a.m. and will conclude at 3 p.m. A \$10 admission fee will include pastries, fruit, coffee, and champagne cocktails. Lunches will be available for purchase as well.

The Annual FOCUS Holiday Boutique not only provides a source of holiday gifts, but also benefits the abused, battered, homeless, children of need in San Diego County. In existence for nearly 40 years, FOCUS raises over \$100,000 each year to distribute directly to agencies that provide services, products, and/or shelter to the youth population of the greater San Diego County. It is one of the largest, behind the scenes, non-profit organizations, established especially for children.

Jewelry, fashion accessories, art pieces, garments, and home decor items will be plentiful at this holiday boutique. Hand-crafted items have not been forgotten either, and selected vendors will be offering many one-of-a-kind objects of delight !

Parking is free, and the waterfront, Coronado Cays Yacht Club provides a spacious and welcoming site for shoppers with friends and relatives.
